DONNYBROOK IN THE PARK

Friends of the Park District Benefit Concert

Hanover, IL (Saturday, June 12th)—Music and social responsibility have always been integrated. If music shows a society for what it is, then the people of Hanover, IL have something to cheer about. On June 12th, Friends of the Park District will host **Donnybrook in the Park** featuring the world famous Irish band, Donnybrook, as well as a collaboration of local bands and dancers to benefit the Hanover Park District.

Friends of the Park District is a nonprofit organization founded in April, 2004 by Hanover residents, Jenny Knasiak and Tom Sheridan. Friends of the Park District promote effective, community based fundraisers for the maintenance and operations of the Hanover Park District Building, better known as “The Old School”. The Old School, built in 1929, was where Hanover High School maintained occupancy for over 70 years. Today, The Old School, with the help of the Park District, is taking off where it left off, providing the community of Hanover a place to learn, exercise and socialize. It is the goal of the Friends of the Park District to provide funds in order for the dedicated and loyal people of Hanover to have a place to exercise, for parents to have their children’s birthday parties in one of the old classrooms or for the teenagers of Hanover to have a safe haven to play and socialize after school.

Please join the Friends of the Park District in its crusade to raise money for the Hanover Park District. Entertainment, food and beverages will start at 2:00 p.m., June 12th, at White Park, Hanover, IL with Donnybrook headlining at 7:00 p.m. If you can not make it, donations are being accepted at: Friends of the Park District, c/o Union Bank, 215 Jefferson Street, Hanover, IL 61041
